“Further, please be advised that the Florida Governor’s Office has declared a state of emergency due to the Coronavirus (COVID-19). As reported by the Center for Disease Control and World Health Organization, COVID-19 can spread from person-to-person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth. Therefore, merely cleaning facilities, while extremely important and vital in this crisis, may not be enough to stop the spread of this virus. “

“That said, the Districts want to encourage public participation in a safe and efficient manner. Anyone wishing to listen to and/or participate in the Special Meeting only can do so by contacting the District Manager’s office for details.”

Should you have any questions, please contact me directly at 239-464-7114.

Sincerely,
