

## **Modified Phase III Restrictions for Landscape Irrigation Uses Within Lee County, Not Including the City of Cape Coral**

1. All wasteful and unnecessary water use is prohibited.
2. Those entities utilizing 100% reclaimed water are not restricted. However, reclaimed water providers may have local restrictions in place.
3. Low volume irrigation, i.e., drip irrigation and microjet irrigation, shall be voluntarily reduced.
4. Hand watering of existing landscape utilizing a self-canceling nozzle is allowed anytime for no more than 10 minutes per area for stress relief or to prevent plant die-off.
5. Landscape irrigation users located in Lee County, except for the City of Cape Coral, are prohibited from irrigating between the hours of 9:00 a.m. and 5:00 p.m.
6. Landscape irrigation for existing installations is limited to one day per week as set forth below:
  - a. Even-numbered addresses, installations with irrigation systems that irrigate both even and odd-numbered addresses within the same zones, such as multi-family units and homeowners' associations, and rights-of-way or other locations with no address, shall accomplish necessary landscape irrigation only on Sunday.
  - b. Odd-numbered addresses shall accomplish any necessary landscape irrigation only on Wednesday.
7. Irrigation of new landscaping, installations which have been in place for less than 30 days, is:
  - a. Restricted to the hours of 4:00 a.m. to 9:00 a.m., Monday, Wednesday, and Saturday for less than 5 irrigated acres.
  - b. Restricted to the hours of 12:01 a.m. to 9:00 a.m., Monday, Wednesday, and Saturday for equal to or more than 5 irrigated acres.
8. Water use for cleaning, adjusting, or repairing irrigation systems is:
  - a. Restricted to 10 minutes per zone, per week, for existing irrigation systems.
  - b. Restricted to 10 minutes per zone on a one-time basis, for new irrigation systems.
